SPEAKER SERIES OR PANEL DISCUSSIONS

Arrange for inspirational speakers or host panel discussions featuring successful women in various fields. This can be done virtually or in person, fostering dialogue and learning.

BOOK OR MOVIE CLUB

Start a literature/movie/documentary club or organize a film screening event that highlights women’s achievements, challenges, and empowerment. Focus on work by women or about women that explore women’s empowerment themes. Discussing these can lead to meaningful conversations. Need ideas?

EMPOWERMENT & WELLNESS WORKSHOPS

Organize workshops or training sessions on topics like negotiation skills, leadership development, and personal empowerment. Host wellness workshops that focus on self-care and mental health, promoting the holistic well-being of employees. Conduct interactive workshops on topics like women's history, gender equality, and allyship to educate and engage employees. Check out the calendar.
ARTISTIC EXPRESSION
Encourage employees to express themselves through art. This could involve creating empowering artwork, poetry, or music, which can be showcased in a virtual gallery or a live event.

SUPPORT WOMEN OWNED
Choose to shop local and women-owned in March. Check out the following women-owned businesses (there are many more across the Valley!):
- YW Shop includes t-shirts with empowering messages. Proceeds from sales benefit the nonprofit.

VIRTUAL HAPPY HOUR
Host a virtual happy hour with trivia games, quizzes, or discussions centered around women’s achievements and empowerment.

CREATE A GIVING CIRCLE
Establish a giving circle where employees pool funds to make a collective donation to YWCA Metropolitan Phoenix, a nonprofit that supports women.

Remember to communicate the purpose of these activities and how they contribute to your ERG’s mission & ours!
This will ensure that employees understand the impact of their participation. Celebrating Women’s Empowerment Month in the workplace can be both enjoyable and impactful. These are some fun ways for employees to celebrate and contribute to spreading awareness and fundraising for a nonprofit that supports women.
