32nd Tribute to Leadership Awards

Tribute to Leadership Awards is more than an event — it's a movement. Each year, YWCA Metropolitan Phoenix honors bold changemakers who are building a more just and equitable Arizona. As a sponsor, you're not just supporting a celebration. You're investing in year-round programs that empower women, uplift communities, and advance racial and gender justice.

Your partnership puts you at the center of a powerful network of business, civic, and community leaders committed to making lasting change. Join us as we kick off **Women's Empowerment Month** this March and shine a light on the people and partners driving progress across our state.
